

TES Association Proxy Instructions

GENERAL INFORMATION:

New York State Not-For-Profit Corporation law requires a quorum of 10% of the membership or 100 people (whichever is LESS) in order to transact business at a general membership meeting. This requirement may be fulfilled with the use of proxies.

A proxy is a power of attorney given by one person to another to vote in his stead.

- A **Restricted Proxy** appoints the Secretary to count you as Present but abstain from voting on all motions.
- An **Unlimited Proxy** appoints a named member to vote on your behalf on all motions. Unless the person to whom you have appointed your proxy is instructed by you to vote a particular way, the Appointee may vote on your behalf however they wish.
- A **Limited Proxy** appoints a named member to vote on your behalf according to your instructions and limited to only the motions you have listed on the Proxy form.

Your proxy covers motions brought up during the meeting.

If you are unable to attend the TES Association Membership Meeting at The Alchemical Studios (104 West 14th St. New York, New York 10011), it is important that you submit your proxy for quorum. If a proxy is executed for multiple meetings, it is valid until withdrawn by the member. If a proxy is executed for a specific meeting it is valid only for the complete session of that meeting. **Please send in a proxy even if you plan to attend the meeting. If you attend the meeting, your proxy will be returned to you after the meeting is adjourned.**

This proxy will be retained by the Secretary for a period of ninety (90) days after the adjournment of the last Membership Meeting session for which it has been executed, or longer if required by law. **No one else may present your proxy. This includes spouses and members of a couple/family.** The Secretary will record the proxies and distribute them to their appointees. This proxy will be made available for inspection upon proper notification.

DIRECTIONS

Fill out the top portion with your membership name and your membership number. Each member of a couple/family must fill out a separate proxy.

Check (or "X") one or more membership meeting dates that this proxy is to be valid for. A proxy may be changed or withdrawn by mail 72 hours before any membership meeting or by attending the meeting in person. You may also present your proxy in person at the Membership Meeting. (This is mainly for people who may have to leave before the conclusion of the Membership Meeting.)

Check (or "X") one and only one of the Proxy Type boxes. If you have selected Limited or Unlimited Proxy, fill in the name of the person to whom you assign your proxy. Sign and date the proxy form at the bottom with your legal name.

Mail your proxy to the regular TES mailing address **Att: Membership Meeting, or include it in the addressed and stamped envelope when you mail in your ballot.**

Proxy must be received at the TES PO Box **72 hours before any Membership Meeting for which it is applicable.**

Please **put your return address and membership number on the upper left corner of the envelope.** Proxy forms may be photocopied or downloaded from www.tes.org if additional copies are needed. In the event multiple proxies are submitted, the one with the latest date will be valid.
